ROYAL EXCHANGE ASSURANCE,
Established by Royal Charter and Act of
Parliament,
In the Year 1720,
FOR ASSURING BUILDINGS, GOODS, AND SHIPS
FROM FIRE,
AND ALSO FOR THE
ASSURANCE OF LIVES.

Office, No. 117, George's-street, Limerick:—
WHERE Assurance on Lives, and against Fire, can
be sooner and easier effected than at any other Insur-
ance Establishment in Ireland: Fire Policies are issued at
once, without either sending for them to England, or con-
sulting Directors, as must be done at other Offices; and
Persons, whose lives are to be assured, have only to appear
before the Agent; who does not require Medical Certificates.
Lives Insured as high as £10,000; and at the advanced
age of Seventy-five years.
Persons whose lives are assured by this Company, are
allowed to pass in decked vessels from one part of the
United Kingdom of Great Britain and Ireland to another,
and to sail from the Islands of Guernsey, Jersey, Alderney,
Sark and Man, from that place, *before time of peace only*, in
decked vessels, from British ports and places to any foreign
port between Flushing and Linnan, without extra premium,
and without being subjected to apply, as heretofore, to the
Office, for special permission.
Manufactories, Buildings, and Goods of every descrip-
-tion, in Farm Houses, outlying, and Huggarts—Ships in har-
-bour, in dock, or while repairing, Insured at a moment's
-notice.
The following are some of the rates of Premiums on
Assurance against Fire, viz:—
Common Assurance 2s. per Cent;
Singly Hazardous 3s. Ditto;
Doubly Hazardous 5s. Ditto:—
The wealth and experience of this Company enable them to
insure Mills, and other special risks, at the safest and
most moderate Premiums: Corn Stores, with one Kilo,
containing stock consisting of Corn and Grain only, being
but a Singly Hazardous Risk, are Insured at 3s. per cent.
But Merchants who have been informed by Assurance Agents
that this Singly Hazardous Premium will cover general
Merchandise contained in Corn Stores with Kilo, ought to
carefully examine their Policies, in order to ascertain if
their properties be at all Insured:—So large a sum as £3000
may be Assured on Mill Risks.
The wise principles, and honest practices, pursued by the
CORPORATION of the ROYAL EXCHANGE ASSURANCE dur-
-ing a period exceeding a Century—their consequent accu-
-mulation of riches and reputation—and their unrivalled
