**BRITISH COMMERCIAL
FIRE AND LIFE**

INSURANCE COMPANY,
FOUNDED FOR THE PURPOSE OF
INSURANCE OF LIVES AND PROPERTY, THE
PURCHASE AND SALE OF ANNUITIES, THE
ENDOWMENT OF CHILDREN,
&c. &c. &c.

No. 35, Corn-Hill, London, and
NO. 111, GRAFTON-STREET, DUBLIN.
Capital—One Million Three Hundred Thousand
Pounds.

THE DIRECTORS, in offering this Establishment to Public Notice, beg leave, in the first place, to state, that its distinguishing feature is—THE GRANTING INSURANCES AT THE VERY LOWEST RATE OF PREMIUM, payable Yearly, Half-Yearly, or Quarterly, consistent with the reasonable expectation of a MODERATE and ESTIMATED PROFIT—instead of holding out to the Public Notice the more plausible Promise of a Bonus to be added to the Sum Insured at the expiration of certain stated periods, (which stated periods may never arrive, as death may previously happen)—for which a larger Annual Premium is required and must be paid. In fact, they think that, in proposing an "Equitable Plan," they do so more candidly and EFFECTUALLY by taking the LOWEST CALCULATED PREMIUM, for a CERTAIN AND TANGIBLE SUM at the end of Life, than by promising advantages which depend upon the most doubtful contingencies, at an expense to the public of a present sacrifice.

It cannot be too often repeated and impressed upon the Public Mind, that the Object of the BRITISH COMMERCIAL INSURANCE COMPANY is—TO ENABLE PERSONS TO MAKE PROVISION FOR THEIR FAMILIES, with the LEAST POSSIBLE DIMINUTION OF THEIR PRESENT INCOME.

The DIRECTORS having, by a fair and exact calculation, ascertained, that the Premiums usually paid by the Public might be VERY CONSIDERABLY REDUCED with PERFECT SAFETY TO THE INSURED, and a CERTAIN REASONABLE PROFIT TO THEMSELVES, have prepared their Table of Rates accordingly—by which, upon comparison, it may be seen that INSURANCES ON LIFE may be effected with them upon Terms, in many instances, FULLY FIFTEEN

form some idea of the extent and magnitude of its transactions; and to say anything of its Capital, liberality, or usage, is presumed quite unnecessary.

LIFE DEPARTMENT.

ASSURANCE ON LIVES is found to be of Benefit and advantage to Persons having Offices, Employments, Estates, or other Incomes which cease and determine with their Lives, as it enables them to secure a Sum to be paid at their decease to their Families or Representatives. Also to Persons holding Offices, &c. during the Lives of OTHERS, as by the same means they may secure themselves from the Loss which they would otherwise sustain by the Death of such Persons.

The Managers being satisfied that the Premiums which have hitherto been required for Assurances, were not properly graduated according to the Ages; have had others calculated, proportional to the real Values of the Risks at the different periods of Life; which will be found to be more liberal than any hitherto granted, the Premiums having been, in many cases considerably reduced.

N. B.—Assurances on the Lives of Persons engaged in the Army or Navy, or going beyond the limits of Europe, may be made by special agreement.

Tables of new Rates with the Conditions of Assurances may be had at the Agent's Office, on application, and every information respecting Assurances given.

P. MURPHY,
Agent.

A powerful FIRE ENGINE, with an experienced Engineer, ready at all hours in case of Fire, which greatly tends to public safety.

N. B.—The Premiums on Fire Insurances falling due at Michaelmas are requested to be renewed within fifteen days from that period, as the usual time allowed for payment, will then expire.
