The Public is too well aware of the advantages resulting from Assurances on Property against fire, to need any comment on the expediency of an utility; and the support which an Irish Public has afforded to this, a National Establishment, has given a flattering earnest that they are not unmindful of the broad basis, on which, from its formation, the National Assurance Company has grounded its propositions to support and encouragement, that of being closely identified with the Commercial interests of the Country, and aiming to retain a proportion of the vast sums which are annually remitted to England as Assurance Premiums.

DEATHS.

On Sunday last, in George's-street, in the 5th year of his age, Master William Westby Percival, only child of Captain Percival, Royal Navy. His premature death and very amiable disposition, evinced even at so tender an age, added to most endearing manners, render his loss inconceivably felt by his truly afflicted parents.

On Monday, in Francis Street, very much regretted, Mrs. Boyse, wife of John Boyse, jun. Esq.

At Rossmore, County Tipperary, on Monday, Letitia, wife of William Potts, Esq. of Athlone, and eldest daughter of the Rev. Anthony Armstrong, of Emly. We have seldom witnessed a more sincere or universal sorrow than has been felt for this estimable individual, who, by a long and painful illness, exhibited a truly instructive lesson of Christian resignation to the will of her Creator; as also a bright and consoling example of that peace of mind which rests upon the sure and steadfast hope of salvation through Christ.

At Ballingarry, County Tipperary, on the 15th instant, Bridget, wife of John Conroy, Esq. half-pay 30th Regiment, aged 27 years. She possessed a suavity of mind and temper, that renders her death a source of the deepest affliction to her family and friends.
