English Companies with a return from the Head Office
gland, so inconvenient to the Irish Public, is thus com-

Dublin Corn Exchange, December 18.

We find but a limited supply of Grain at our market yesterday ; prime Wheat was in brisk demand, at an advance of 1*s.* per barrel ; in inferior kinds there was no improvement. Oats and Barley were also in better demand, but without any alteration in prices. Flour was steady at last prices.—Prime Red Wheat, 33*s.* to 35*s.* ; White, 30*s.* to 37*s.* ; Oats, 13*s.* to 15*s.* ; Grinding Barley, 16*s.* to 17*s.* ; Malting, 18*s.* to 19*s.* per barrel ; Flour, 20*s.* to 21*s.* ; Oatmeal, 12*s.* to 14*s.* per cwt.

London Corn-Exchange, December 15.

Although our supplies were large this week, yet as the major part of them was cleared off the stands at the close of Friday's market, and the land carriage samples fresh in this morning's letters and sent being rather small, the meuling-trade was extremely brisk, when fine Wheat, sold full 4*s.* per quarter dearer than on this day se'nnight, and the inferior sorts nearly the same. Barley is also in demand, and the whole that appeared this morning, sold at an advance of 2*s.* per quarter on the prices of last Monday ; Beans and Peas of both kind sell freely on better terms than last week, and Oats are 1*s.* per quarter higher ; Flour is brisk sale, at 55*s.* per sack, with further advance is expected. In other articles there is no alteration.

The recent considerable improvement in the price of corn has given rise to speculations as to the cause of it. The fact is, that the stock of grain on hand has diminished to a degree much beyond what has been calculated upon. We are enabled to state, on the authority of a gentleman, whose occupations lead him to the most accurate and careful inquiries, that there are at present in the port of London only about 150,000 quarters of Wheat, in hand ; 45,000 quarters, free. This alone is quite sufficient to account for the recent rise of price.—*Globe of Tuesday.*

Liverpool Corn Exchange, December 16.

There was a brisk market to-day, and both spectators and dealers bought old Wheat freely at an advance of 3*l.* to 6*l.* per bushel on the prices of this day week. The supplies of Oats were small ; and were taken off at a advance of 2*l.* per bushel. Beans and Barley steady in demand, and fully maintain their value.

Wheat, English, Old, 9*s.* to 9*s.* 9*d.* per 70 lbs ; Irish, Old, 7*s.* 3*d.* to 8*s.* 6*d.* do. ; New, 9*s.* to 7*s.* do. ; Scotch, 9*s.* to 10*s.* do. ; Foreign in Bond, 4*s.* to 5*s.* do. ; Oats, English, 2*s.* 9*d.* to 3*s.* per 45lbs. ; Irish, 2*s.* 10*d.* to 3*s.* to ; New, 3*s.* to 3*s.* 2*d.* do. ; Scotch, 3*s.* to 3*s.* 2*d.* do. ; Beans, English, 36 [illegible] 3*s.* to 40*s.* per quarter ; Foreign, none ; Barley, English, (old) 3*s.* to 3*s.* 5*d.* per 60lbs. ; Irish, 3*s.* to 3*s.* 5*d.* do. ; Scotch (old), 3*s.* to 3*s.* 6*d.* per 60lbs. ; Malt, Fine, 5*s.* 6*d.* to 6*s.* per 8 gallons ; Do. Middling, 7*s.* to 8*s.* do. ; Flour, in bond, 30*s.* to 34*s.* per barrel ; Sour, free, uncertain ; Oatmeal, 18*s.* to 20*s.* per 240lbs. ; Scotch, 24*s.* to 25*s.* do. ; Irish, 21*s.* to 23*s.* do.
