Insurance on Lives, and against Fire, can be effected there at any other Insurances in Ireland: Fire Policies are issued at a lower rate than for them to England, or countries must be done at other Offices; and persons are to be assured, have only to appear who does not require Medical Certificates. The sum insured may be as high as £10,000; and at the advanced rate of interest.

Persons assured by this Company, are protected vessels from one part of the Kingdom of Great Britain and Ireland to another, or to the Islands of Guernsey, Jersey, Alderney, and Guernsey, in line of peace only, in all British ports and places to any foreign port, viz.
