That highly useful Institution, St. George's
Day School, established by the late Rev. Wm.
D. Hoare, is conducted on the same principles
as were laid down for its management on its first
formation. Upwards of seventy children are
daily instructed in reading and writing, and
the Word of God is put into their hands at an
early period, without a knowledge of which all
other attainments are useless. A Committee of
Ladies, of the very first respectability, super-
intends the female class, from whose praise-
worthy exertions the best results must be anti-
cipated.

NOTICE.

INLAND FISHERIES.

ALL Persons intending to Fish on that part
of Shannon Water, belonging to Capt. EYRE,
are requested to procure a Permission of
KELLY, Inspector of Inland Fisheries, Limerick,
qualified to issue same. Any Person found
(after this Notice) without such Permission
considered a Trespasser, and proceeded against
directly.

Mr. KELLY does not wish to take any Person
who may have unlawful Nets or Engines in
their possession—that after this Notice, if
the possession of any Person whatsoever, or the
transgression against, in any manner, although
fatal to his feelings, it becomes his duty to act
as the Law directs.

Mr. KELLY begs to inform the Gentlemen

have Cribbs or Traps of any kind on their
purpose of catching Fish, to remove same,
will subject themselves to heavy penalties,
will be appointed throughout the Country, for
discovering those matters, and to give private
them; in such cases Mr. KELLY must act
as the Law will allow him. After this Notice
acts will not be considered wanton; his duty
strictly do his duty, and in a way, he hopes
satisfaction.
