

EXCHANGE

ASSURANCE,

by Royal Charter and Act of

Parliament,

the Year 1720.

BUILDINGS, GOODS, AND SHIPS
FROM FIRE,

AND ALSO FOR THE

ASSURANCE OF LIVES.

George's-street, Limerick:—

Insurance on Lives, and against Fire, can be effected easier than at any other Insurance in Ireland. Fire Policies are issued at a moderate rate, and can be sent to England, or can be effected at other Offices; and those who are to be assured, have only to appear, and no Medical Certificates are required. Policies are issued for as high as £10,000; and at the advanced ages of years.

Those who are assured by this Company, are insured on vessels from one part of the Kingdom of Great Britain and Ireland to another, or to the Islands of Guernsey, Jersey, Alderney, and so on, in time of peace only; in time of war, to British ports and places to any foreign port, and Ushant, without extra premium, and are not subjected to apply, as heretofore, to the Admiralty for permission.

Buildings, and Goods of every description, Cattle, and Huggarts—Ships in harbour, and while repairing, Insured at a moment's notice.

Some of the rates of Premiums on Fire, viz. :—

On Buildings 2s. per Cent ;
On Goods 3s. Ditto ;
On Lives 5s. Ditto .—

The experience of this Company enable them to insure other special risks, at the safest and lowest rates: Corn Stores, with one Kiln, and containing Corn and Grain only, being insured at 3s. per cent: Those who have been informed by Insurance Agents that a large Premium will cover general risks in Corn Stores with Kilns, ought to be satisfied with their Policies, in order to ascertain if they are all insured:—So large a sum as £3000 is insured on Mill Risks.

The honesty and honest practices, pursued by the ROYAL EXCHANGE ASSURANCE during a Century—their consequent accumulated reputation—and their unrivalled success for this Establishment the first Insurance Institution of the Empire—inspiring public confidence—and given to the world by any

Policy at this Office do not depend on any contribution—are neither subject to any Act of Parliament, to make any change may happen—the real Capital Stock being an unquestionable Security to the

Policy full, without delay; and documents prepared gratis.
