URANCE OF LIVES.

7, George's-street, Limerick:—

Insurance on Lives, and against Fire, can be effected in a more easy and convenient manner than at any other Insurance Office in Ireland. Fire Policies are issued either sending for them to England, or contracts, as must be done at other Offices; and lives are to be assured, have only to appear who does not require Medical Certificates. Amounts as high as £10,000; and at the advanced age of five years.

Lives are assured by this Company, are on decked vessels from one part of the Kingdom of Great Britain and Ireland to another, the Islands of Guernsey, Jersey, Alderney, and also to pass, *in time of peace only*; in from British ports and places to any foreign ports, including and Ushant, without extra premium, and subject to apply, as heretofore, to the usual permission.

Buildings, and Goods of every description, Cattle, and Haggarts—Ships in harbour while repairing, insured at a moment's notice.
