This Office insures against loss or damage by fire, all  
 descriptions of buildings, goods, wares, and merchandize,  
 ships in harbour and in dock, craft on navigable rivers and  
 canals, and goods laden in the same, waggons travelling the  
 roads, and their contents, and farming stock of all descrip-  
 tions. The premiums charged by this Society are as low as  
 the long experience of the Office has proved to be compati-  
 ble with the nature of the risks, and with a prompt and libe-  
 ral adjustment of losses.

Farming stock may be insured generally, in all barns and  
 out-houses, or on a farm, without the average clause. And  
 a full explanation of this mode of insurance may be had on  
 application to the Office, or to any of its Agents.

All payments for losses by fire are made by this Office  
 without deduction.

The Sun Fire Office pays losses or damage by fire from  
 lightning.

Persons may insure for more years than one, and in such  
 insurances an allowance of 5 per cent, per annum, compound  
 interest, will be made on the premium, and duty received  
 for every year, except the first; and as the duty amounts to  
 one half more than the premium, on common insurances, the  
 allowance thus made is equal to 12½ per cent. on premiums  
 only.

THE SUN LIFE OFFICE insures at premiums, which,  
 under forty-five years of age, when the assurance is for the  
 whole of life, and under fifty-five for shorter periods, are  
 considerably lower than are generally required.

 this Institution is found-  
 ed, have been adopted after a  
 mature investigation of the  
 practice of other Offices, and  
 will be found to combine ad-  
 vantages not hitherto offered by  
 any other Insurance Company.  
 The Assured of a certain  
 standing, participate in the  
 profits every seven years.  
 A subscribed CAPITAL,  
 amounting to TWO MILLI-  
 ONS, secures the Assured from  
 the responsibility attached to  
 Societies for mutual assurance.

**ROYAL EXCHANGE**  
**ASSURANCE,**  
 Established by Royal Charter and Act of  
 Parliament,  
 In the Year 1720,  
**FOR ASSURING BUILDINGS, GOODS, AND SHIPS**  
**FROM FIRE,**  
 AND ALSO FOR THE  
**ASSURANCE OF LIVES.**

**Office, No. 117, George's-street, Limerick a—**  
**WHERE** Assurance on Lives, and against Fire, can  
 be sooner and easier effected than at any other Insu-  
 rance Establishment in Ireland: Fire Policies are issued at  
 once, without either sending for them to England, or con-  
 sulting Directors, as must be done at other Offices; and  
 Persons, whose lives are to be assured, have only to appear  
 before the Agent; who does not require Medical Certificates.  
 Lives Insured as high as £10,000; and at the advanced  
 age of Seventy-five years.

Persons whose lives are assured by this Company, are  
 allowed to pass in decked vessels from one part of the  
 United Kingdom of Great Britain and Ireland to another,  
 and to and from the Islands of Guernsey, Jersey, Alderney,  
 Sark and Man, and also to pass, in time of peace only, in  
 decked vessels, from British ports and places to any foreign  
 port between Flushing and Ushant, without extra premium,  
 and without being subjected to apply, as heretofore, to the  
 Office, for special permission.

Manufactories, Buildings, and Goods of every descrip-  
 tion—Farm Houses, Cattle, and Haggarts—Ships in har-  
 bour, in dock, or while repairing, insured at a moment's  
 notice.

The following are some of the rates of Premiums on  
 Assurance against Fire, viz:—

Common Assurance ..... 2s. per Cent;  
 Singly Hazardous ..... 3s. Ditto;  
 Doubly Hazardous ..... 5s. Ditto

The wealth and experience of this Company enable them  
 to insure Mills, and other special risks, at the safest and  
 most moderate Premiums: Corn Stores, with one Kill,  
 containing stock consisting of Corn and Grain only, being  
 but a Singly Hazardous Risk, are insured at 3s. per cent;  
 But Merchants who have been informed by Insurance Agents  
 that this Singly Hazardous Premium will cover general  
 Merchandize contained in Corn Stores with Kilns, ought to  
 carefully examine their Policies, in order to ascertain if  
 their properties be at all insured:—So large a sum as £3000  
 may be Assured on Mill Risks.

The wise principles, and honest practices, pursued by the  
 CORPORATION of the ROYAL EXCHANGE ASSURANCE during  
 a period exceeding a Century—their consequent accumu-  
 lation of riches and reputation—and their unrivalled  
 liberality, have obtained for this Establishment the first  
 character among the Insurance Institutions of the Empire—  
 secured for it a corresponding public confidence—and given  
 it an extent of business, in this country, unattained by any  
 other Company.

The Persons Insured at this Office do not depend upon  
 an uncertain fund or contribution—are neither subject to  
 covenants, nor liable by Acts of Parliament, to make  
 good the Losses which may happen—the real Capital Stock  
 of the Corporation being an unquestionable Security to the  
 Assured.

Losses are paid, in full, without delay; and documents  
 for Claimants are prepared gratis.
