FIRE INSURANCE.

The Company undertakes to insure from Loss or Damage by Fire, Dwelling-houses, Goods in Trade, Manufactories, Distilleries, Breweries, Stores, Mills, Farming Stock, &c. &c. on the most equitable terms.

No charge is made for Policies in any case—Losses by Lightning made good—No Fees taken for alterations or endorsements—Persons choosing to insure for seven years, will be charged only six years premium, &c. &c. &c.

LIFE INSURANCE.

The Company undertakes Insurances on Lives, between the ages of Eight and Sixty-five years. (and by special agreement to the age of EIGHTY years,) at equitable Rates, and to the extent of £7000 British, without Entrance Money, or any additional Premium for Sea Risk, in decked Vessels or Steam-Boats, to or from the British Isles, or to or from the Continent, on the line of coast between Texel and Brest, both inclusive.

All Losses are paid within thirty days after proof is made, and every facility is afforded by which the interest and convenience of the Public may be promoted.

The Directors will be anxious to show all possible respect to those who honour the Company with attention. They are invested with the means of rendering complete and liberal justice to every person who may have to claim the fulfilment of the Company's engagements; and while they exhibit a disposition to exert those means for the benefit of all who place themselves under the Company's protection, they are persuaded that the public confidence and support will bear full proportion to the diligence of their endeavours, and to the utility of the objects to which those endeavours are directed.

Printed Proposals and Rates may be had, Insurances effected, and every information on the business of the Establishment obtained, by applying to

FIRE DEPARTMENT.

As the expiration of many Policies of Assurance against Fire, will take place on Michaelmas day, the Directors

Risks, 1s. 6d.; Hazardous, 2s. 6d. Doubly Hazardous, 4s. 6d. per Cent. and all other cases considerably lower than other Companies.

LIFE DEPARTMENT.

The Company's Tables for Life Insurance are fixed at the lowest rate of charge yet offered by any similar Establishment in this Kingdom and embrace every possible accommodation desirable to Insurers, in addition to other striking advantages. The Company has adopted the following important and completely new arrangement.—Persons whose Lives have been assured for twelve months may, on appearing at the Company's Office, and satisfying the Directors of their perfect health, have the same admitted by endorsement on their Policies, and no further proof thereof will be required, in case of death. Insurers with the Company become entitled to a bonus of profit without incurring the responsibility of Partners, under an equitable plan, arranged by eminent Counsel.

- Money advanced on Policies.
- Marine Insurances at the current rate of the day.
- Daily attendance given by the Directors.
- A more full explanation of the Company's Plans would exceed the limits of an advertisement; the Directors therefore solicit a perusal of their Prospectus, which, with every necessary information, may be had by application to the Company's Agents.
- A liberal annual commission to Solicitors and others
