Highly Improved London Breakfast
Powder 1s. 6d. } per lb.
Ditto, Superfine, Superior flavour, 1s. 6d. }
In Half Pounds and Quarters, with directions.
There is no modern discovery of more importance or real
utility to every Family than the above, as affording a pleasing
Beverage, which being prepared from the Farina, of the
finest Grain and Pulse, (the most nutritious substance used in
food) is most particularly favourable of Health, and is
attended with a SAVING of a great magnitude as to be an
object worthy of Public attention.
The Superfine Kind is particularly desirable for Even-
ing Use as well as Morning, possessing the delicious Flavour
of Coffee, and not preventing sleep, nor causing that palpi-
tation which may be experienced from the use of Tea and
Coffee.
To those who are unacquainted with its merits a trial is
recommended, and should it not be approved of when used,
the full price it cost shall be returned.
