THIS Office insures against loss or damage by descriptions of buildings, goods, wares and merchandise in harbour and in dock, craft on navigable rivers, canals, and goods laden in the same, waggons, roads, and their contents, and farming stock of all kinds. The premiums charged by this Society are moderate, and the long experience of the Office has proved to be commensurate with the nature of the risks, and with a prompt adjustment of losses.

Farming stock may be insured generally, in all its out-houses, or on a farm, without the average clause. A full explanation of this mode of insurance may be had on application to the Office, or to any of its Agents.

All payments for losses by fire are made by the Office without deduction.

The Sun Fire Office pays losses or damage by lightning.

Persons may insure for more years than one, and insurances at an allowance of 5 per cent. per annum, on interest, will be made on the premium, and duty for every year, except the first; and as the duty on one half more than the premium, on common insurances, allowance thus made is equal to 12½ per cent. on premium only.

A Powerful Fire Engine, with an Experienced Engine Driver, ready at all hours in case of Fire, which greatly contributes to public safety.

The SUN LIFE OFFICE insures against fire, and insurances which, under forty-five years of age, when the assurance is for the whole of life, are considerably lower than are generally required.
