DEATHS.

Thursday morning, in the noon of life, at Corrigg in the West of this County, Gerald Griffin, Esq leaving an amiable and afflicted widow, with twelve children to deplore the loss of an affectionate husband, and one of the best of fathers. As a landlord, a neighbour and a friend, Mr. Griffin was deservedly respected; to his tenantry he was considerate; the neighbouring districts always looking to him when advice was wanted, and the poor man's garden never wanted a plough or harrow that his farm yard could supply.
