JAMES GALLERY,

(JAIL-STREET, CORNER OF ARTHUR'S-ROW ENNIS.)
BEGS to acquaint his Friends and the Public that he has received to him a large assortment of Plumb, Muscate, and Bloom Raisins, Currants, French Plumbs, and Turkey Figs, with a well assorted supply of Congou, Souchong, and Hyson Teas, which have been specially chosen and purchased for him at the last sales by his London correspondent, by whom he has and will be supplied for the future with Teas and Spices; he has also in his store a quantity of the following Wines in prime order some of which are Vintage 20—Prime Old Port, Vintage 20; Cadiz, Sherry, Teneriffe, and Cape Maderia, of the best description.
GALLERY particularly calls the attention of his Customers, to some Old Mal Whiskey, which has been over three months in Sherry Casks, and which equals Brandy in taste and flavour.
From the experience which GALLERY has had in one of the first Houses in Ireland, that of Kinahan's, Carlisle Building, Dublin, where he had been solely engaged for over 18 months, in superintending the Tea Department of that Establishment, which gave him a thorough knowledge of the different India characters by which Tea can be better known, and by which he now makes his selections, which gives his Establishment a peculiar advantage of having a more genuine article of Tea than those Establishment which are supplied per chance, for want of knowledge; and to prove to his friends the advantage he possesses, he shall be supplied hence forward with
Fine Strong Breakfast Congou at 5. 6d. formerly 6s. 8d.
Superior Fine do. .. 6. 0d. 7s. 3d.
Best Congo Imported, .. 6. 0d. 7s. 7d.

Best ditto Imported, .. 8. 0d. 9s. 9d.
Hyson 10. 0d. 12. 0d.

These are reductions equal to thirties and change of the Currency, which will prove to the Public what a losing game they play in Commission Houses; and as they can have experience without paying for it, by buying a pound of the above tea and using six ounces which will afford a fair trial. If approved of, it convinces the purchaser of the loss he has sustained by paying 1s. to 1s. 6d. more, perhaps for an inferior article. If not approved of, GALLERY pledges himself to return the same sum for the remaining fifteen ounces when returned. Country Families can have their Tea mixed up in Lead Foil to prevent damp or damage to the Tea.
GALLERY takes this opportunity of returning his sincere and grateful thanks to his friends and the Public, for the unprecedented support and patronage his Establishment has received since his commencement in business, which shall be his constant study to merit by an unremitting attention to their orders and further commands.
