

# THE LIMERICK

## DEATHS.

Yesterday evening, in Glentworth-street, after a few days' illness, Mrs. White, the Lady of Michael White, Esq. daughter of the late Christopher Henry Knight, of Charleville, Esq. and sister to Colonel P. Knight, of the Royal College, Chelsea, leaving an afflicted husband and a young and amiable family to deplore the loss of one of the best of wives, and most affectionate of mothers. If the sympathy of their sorrowing friends can mitigate this sudden and irreparable visitation, the tears of a wide and respectable circle mingle in this cup of affliction; but, the only solace to sustain their resignation, is the humble but sincere belief that her spirit, which dwelt in the abode of charity and virtue, has been only wafsted to enjoy the rewards of a life well spent.
