EXTRACT,**

OR CORTICAL ESSENCE

*Red Jamaica Sars*

For making the Decoction at the instan-  
and in a manner superior to that u-  
A DESERT SPOONFUL IS EQUAL TO HALF  
MADE DECOCTION.

**I**T is used as an alternative in Scro-  
and other cutaneous diseases, and  
counteract the injurious effects of Mer-  
commendations which have been besto-  
both by the first Medical Authorities  
duce Messrs. Butler to state, in just  
that the Fluid Extract, or Cortical E-  
under their name, was the original  
kind introduced into Medical Practi-  
pared according to a process peculia-  
which the Salt of Sarsaparilla (discov-  
Pallota, and supposed by him to  
which the virtue of the root resides) i-  
has been proved by experiment, to be  
of other preparations of the kind—i-  
keeping, in consequence of the co-  
which it is prepared, and is more p-  
nient for exportation and traveller.

The Fluid Extract is sold in Bott-  
the Compound at 7s and 18.

N. B.—In order to meet the wis-  
bers of the Profession, and Patients'  
is not of importance, Messrs. B.  
Extracts, both simple and compound  
that a Tablespoonful, instead of a L-  
form the dose—they nevertheless re-  
concentrated for the reasons already
