February 2.

For Coughs, Shortness of Breath, Asthmas, &c.

POWELL'S BALSAM of ANISEED. under the immediate Patronage of several of the most distinguished Nobility and Gentry in the Kingdom, in Bottles, at 1s. 1½d. and 2s. 3d. each.

This invaluable Medicine has the extraordinary Property of immediately relieving Coughs, Colds, Hoarseness Difficulty of Breathing, and Huskiness in the Throat. It operates by dissolving the congealed Phlegm, consequently causing a free Expectoration. Those who are troubled with that unpleasant Tickling in the Throat which deprives them of Rest Night after Night, by the incessant Cough which it provokes, will, by taking one Dose, find immediate relief, and one Bottle in most Cases will effect a Cure. Numerous Cases have come to the Proprietor's Knowledge where young People have been troubled with Coughs, Spitting of Blood, and gradual wasting away, with every Appearance of going into a Decline, who, by taking TWO or THREE BOTTLES, have been entirely cured. In Asthmas, Chronic Coughs, Difficulty of Breathing, &c. no Pen can describe the Wonders that have been performed by this invaluable Medicine. Many, who for many Years have been unable to lie down in their Beds without a Danger of being choked by an Accumulation of Phlegm (which invariably causes a Dreadful Cough;) others, who with Difficulty could breathe at all in a recumbent Posture, have, by taking ONE DOSE of this excellent BALSAM, been enabled to lie down comfortably in their Beds. But the Testimonials of those who have experienced its wonderful Effects will do more to recommend and insure it the Support of the Public, than any Thing the Proprietor can say in its Favour, and by particular Request he has published the following extraordinary cases:—

Mr. Wright, of Mile-End Road, was many Years afflicted with Cough, Shortness of Breath, and Sense of Suffocation, whenever he attempted to lie down in Bed, owing to the great Accumulation of Viscid Phlegm which he was unable to expectorate. He had tried every Means to obtain Relief, but without Effect: he could get no Sleep but in his Arm Chair. In this state he continued to linger, without any Hope of Recovery, his Friends expecting that every Fit of Coughing would terminate his Existence. At Length he was prevailed upon to try a Bottle of the Balsam, and (very extraordinary!) Half an Hour after the first Dose, he was able to lie down in his Bed; and, before he had taken Three Bottles, was perfectly cured!

Miss Thomas, of Union-Street, Borough, after labouring under a violent Cough and Shortness of Breath for several Winters, was quite cured by taking One Bottle.

Mr. Thompson, of Camberwell, was upwards of 20 Years troubled with confirmed Asthma, and found no Relief until he took the Balsam—he has been quite comfortable ever since.

Mrs. Carter, of Clapham, was entirely cured of a dreadful Cough by taking One Bottle, although she was so bad that her Friends concluded that she was going into a Decline.

Prepared and sold by THOMAS POWELL, Black-friars'-Road, London, 20 doors from the Magdalen, on the same Side of the Way; and 28, Newington Place, Kennington.

Sold also by appointment by most of the respectable Chemists, and Wholesale and Retail Patent Medicine Venders in the United Kingdom.

IMPORTANT CAUTION!

OBSERVE in future, that the Words "THOMAS POWELL, Black Friars Road, London," is (by permission of His Majesty's Honourable Commissioners of Stamps) Engraved in WHITE LETTERS upon a Red Ground, in the Government Stamp, pasted over the top of each bottle, without which it cannot be genuine.
