Losses. The Company is not founded on the principle of mutual Assurance, and therefore no person who is insured by this Company can be called upon to contribute towards the payment of Losses, or made to partake in the present or contingent liabilities of the Company, in any way or under any circumstances; whilst, on the other hand, ample Security for the payment of all Claims in full is effectually provided.

FIRE INSURANCE. The Rate of Fire Insurance for the three ordinary Classes are 1s. 6d. 2s. 6d. 4s. 6d. per cent.

LIFE INSURANCE. The Company do not require entrance money or admission fees from persons effecting Life Insurances. Officers in the Army or Navy are not charged with any additional premium, unless called into actual service. The Company will purchase such policies issued for the whole term of life as may be surrendered to them by the holders thereof for that purpose.

Books of Rates, and every information respecting LIFE AND FIRE INSURANCES will be given, by application to

D. F. G. MAHONY, AND SON,

Glebe Company's Agents, Limerick. March 31.

Wm. Ringrose Moore Gore, Esq. OF THIS CITY,

HAS been admitted a Member of the Royal College of Surgeons in London.—He has also obtained a Midwifery Diploma, in which latter Study he has been engaged double the usual period.—In connection with those he has also obtained a Certificate for Diseases of Children, signed by the most eminently scientific Practitioners in Dublin, which is as follows:—

We, the Physicians and Surgeons to the Pitt-street Institution for Diseases of Children, hereby certify that Mr. William R. M. Gore has diligently attended the Medical and Surgical Practice, also the Clinical instruction for the period of sixteen months at the above Institution, and that he during the last nine months dispensed the Medicine as ordered by us. The number of new Patients prescribed for during his attendance appears on reference to the registry to have been three thousand nine hundred and eighty-three.

Signed—Philip Crampton, Surgeon General; John Crampton, M.D. Professor of Medicine; Charles Johnson, M.D. Lecturer on Midwifery, R.C.S.D.; Henry Marsh, M.D. Lecturer on the Practice of Physic, R.C.S.D.; Daniel Falloon, M.D.; Robert Harrison, Professor of Anatomy, R.C.S.D. Samuel Cusack, M.D.

At the close of Mr Gore's Professional Studies he obtained the following testimonials:—

I certify that I have known for some time Mr William Gore as a Pupil of the Meath Hospital, and that he diligently attended as a Pupil of that Hospital, as well as conducted the treatment of those cases submitted to his care with skill and attention, and that I feel much pleasure in bearing my testimony to the punctuality of his attendance, as well as the gentlemanly conduct evinced by him whilst a Pupil of the above Institution.

RAWDON M'NAMARA, President of the Royal College of Surgeons in Ireland. Dublin, Sept. 15, 1831.

During Mr Gore's residence in the Wellesley Female Institution he paid the most unremitting attention to his Medical Studies. He was constantly occupied during his attendance on the Institution with Midwifery practice, and was fortunate in witnessing the most interesting and instructive cases. Mr Gore's conduct was uniformly of the most gentlemanly and correct description.

SAMUEL CUSACK, M.D. York-street, Dublin.

Mr. GORE has obtained many other letters of a similar nature. Limerick, March 31.

Tontine Buildings.
