A most infamous Rockite notice was placed under the cabin door of a man named Mockler, near the Glebe-house of Doone, last Saturday night. The terms of this manifesto are too shocking and blasphemous for publication.—It menaces the worst plagues which this world or the next could visit, upon every man who presumes to labor for 6d. a-day, or less than 10d.

It is a remarkable fact that in no part of England, Scotland, or Ireland, has any member of the numerous Temperance Societies now in progress, fallen a prey to Cholera!

The letter of A. B. which appears in our columns, will be found worthy of attention.

PRIVATE TUTOR.

IN consequence of the prevalence of pestilence in Dublin and the Easter Examinations given in Trinity College, Advertiser returns to Munster to seek a Tuition. His habits are gentle and unobtrusive—he has obtained an high place at entrance as a Sizar and distinction since—his Pupil too got a January Premium. He has long and successful experience in preparing youths in *all* the branches of knowledge necessary for a College Education by the Feinaglean system which, it is known, strengthens and matures the memory, whilst it exercises and convinces the reasoning faculties.

Advertiser has been Tutor in private Families and assistant at Luxembourg and other most eminent schools. A School principal in Clare, Kerry, Limerick, or Tipperary; or a private Gentleman having one or more boys to enter or just entered College—especially, if having no objection to place them hereafter under Advertiser's care in the University, would find it their interest to notice this Advertisement.—Salary is not so much an object as a quiet kind family and a retired healthful place.

Advertiser's moral conduct, attested by private Letters, Testimonials, and references to his employers, and to his Tutor and Fellows of T. C. D. would bear scrutiny.

Direct as soon as convenient, (post-paid,) to HENRY, PRIVATE TUTOR, at the Office of this Paper; or, at No. 2, Catherine-street.

CHAPEL, on SUNDAY, May the 6th, by the Rev. Mr. NAGLE, R.C.C.

The Public are aware, from recent appeals, of the heavily encreasing demands upon this important Charity, and the consequent difficulties in which it is every year involved—Of their recurrence ere long again a sure presage is afforded in the number of Patients admitted since the 1st of January already amounting to 112.

Its appeal at this time, however, is purely by official appointment, and is brought forward thus early, from the impracticability, (through the interference of numerous other claims) of obtaining a favorable opportunity at the close of the year when the wants of the Institution are usually most pressing.

Donations from such as cannot attend, will be thankfully received by any of the Clergymen of the Chapel, or by the undersigned.

THE CELEBRATED HUNTER VOLUNTEER

WILL Cover this season at Ennis a limited number of Mares, so low to Gentlemen as One Guinea, and Half-a-crown to the Groom. Farmers, One Pound, and One Shilling to the Groom. It is allowed by the best Judges that he is one of the strongest Three-quarters Bred Horses ever seen in Ireland, stands 16½ hands high, possessing immense bone and sinew, with uncommon action, and equal to 16 stone with any Fox Hounds. He is a splendid leaper, and has racing foot, and his character, as a hunter, can be proved by the Gentlemen of the Clare Hunt.

He is open to any horse in the world, after his season, four miles, over a sporting country, with sixteen stone each, for ONE HUNDRED GUINEAS.

N. B.—VOLUNTEER has walked over for the Clare Gold Cup, no horse starting against him, in consequence of the weight they should carry. He must be a good one, when 195 guineas have been refused several times this season for him, and a good sign of his being a fruitful horse is, his not leaving his own County, as other horses do, though much pressed to the Counties of Cork and Tipperary. This horse is one that will really improve the breed in this Country, with every description of horses, except Racers. The Three Years' Old got by him have sold for higher prices than any others in this Country, from their immense size and strength. This Horse was never worked until he was 6 years old.

Volunteer was got by Mr. O'Loughlen's Volunteer, his dam by Spot, grand dam by Buffer—Volunteer by Merry Andrew. He is a beautiful dark chesnut, 8 years old, perfectly sound and free from vice or blemish. No Mares covered after the 28th July. Stable, Cooke's-lane, Ennis.

SIR—I am commanded by the Lord Lieutenant to acquaint you that his Excellency has been pleased to approve of the appointment of a Board of Health, to consist of the Gentlemen whose names are undermentioned, within and for the City and District of Limerick, viz.:—

The Mayor of Limerick,	Rev. W. Maunsell,
Rev. Dr. Ryan,	J. S. Thwaites, Esq. L. R. C.S.I.
Archdeacon Maunsell,	Rev. Dr. Forster,
P. W. Creagh, Esq.	Rev. Dr. Hogan, P. P.
Alderman Henry Watson,	Rev. T. Enraght, P. P.
Thomas Harding, Esq. M.D.	Wm. Roche, Esq.
Samuel Dickson, Esq.	

Should it be necessary for the Board to make application for pecuniary assistance under the 12th Section of the Act, 58th Geo. 3, chap. 47. I am desired by the Lord Lieutenant to urge the propriety of requiring as limited a sum as the exigency of the case will admit of, particularly as the burthen will ultimately fall upon the County.

It will be necessary to accompany the application for public aid by written documents minutely detailing the number of Persons suffering from Fever, and conveying the fullest information, with respect to the measures intended to be pursued and the probable expenditure which they will occasion. As the accounts will be submitted to the examination of the Commissioners of Accounts, regulated vouchers must be kept of every item of expenditure and the accuracy of the accounts certified by five at least of the Members of the Board of Health. I am to call the particular attention of the Board to the 14th Section, which requires the transmission of a weekly report in writing, containing a particular account of all the proceedings of the Commissioners appointed under the Act.—I have the honor to be, Sir, your most obedient humble servant,

WM. GOSSETT.

To the Mayor of Limerick.

Resolved—That it is the unanimous opinion of this Board, that an application be made to Government through our Chairman for an immediate supply of £500 from the consolidated fund, conscious that being prepared to meet by prompt and vigorous attention the arrival of Cholera, which surrounded as we are by its approach, we know not the moment it may assail us, is not only the most advisable and effectual on the score of humanity and public protection, but likewise the most economical on the score of expenditure.

Resolved—That our Chairman do call on the different Parishes in the Liberties of the City of Limerick, to forthwith appoint Officers of Health in their respective parishes.

Resolved—That the Board adjourn to Tuesday next at 10 o'clock.

J. P. VEREKER, Mayor,
Chairman.

Tithes and Church Rates.

AT a MEETING of the Parishioners of St. MARY, in the City of LIMERICK, held at the Parish Chapel, on *Sunday* the 29th instant, the following resolutions were unanimously adopted:—

Moved by Mr. James B. Boyd, and seconded by Mr. Dan. M'Mahon, that the Rev. John Brahan do take the Chair, and that Mr. Daniel Lysaght do act as Secretary.

Moved by Mr. Dan. M'Mahon, and seconded by Mr. Patrick Meehan:

Resolved—That we yield to no portion of his Majesty's subjects, in Loyalty to our Sovereign, King William IV.

Moved by Mr. Patrick Meehan, and seconded by Mr Richard O'Brien:

Resolved—That we must feel, in the present depressed circumstances of this Parish, now reduced nearly to a heap of ruins, the imposition of the same Church Rates which it was called on to contribute, when it contained the wealth and affluence of Limerick, as an intolerable burden.

Moved by Mr. Michael Kelly, and seconded by Mr James Ahern.

Resolved—That it is contrary to the principles of Justice that the Members of one Creed should be compelled to support the Pastors of another Creed, from whom they conscientiously differ; and we pledge ourselves to use every legitimate means in our power for the purpose of procuring a total abolition of Tithes and Church Rates.

Moved by Mr. James B. Boyd, and seconded by Mr John Dwyer.

Resolved—That it is with feelings of bitter disappointment we have glanced at Mr. Stanley's Tithe Bill, a piece of legislative wisdom, heaping insult on oppression, and consequent calculated to create further discontent in this unfortunate country.

Moved by Mr. James M'Mahon, and seconded by Mr Samuel Brahan:—

Resolved—That Daniel O'Connell, Esq. possesses our unbounded confidence, and our thanks are justly due to him for his honest and consistent advocacy of Ireland's rights.

Moved by Mr. William Stewart, and seconded by Mr James Hassett.

Resolved—That the 31 Members, who, in despite of the sneers of Stanley's English Majority, voted against his Tithe Bill, are entitled to our thanks and gratitude,—and we consider that Bill likely to produce awful results, unless immediately followed by measures extinguishing Tithes as well in fact as in name.

Moved by Mr. N. O'Kelly, and seconded by Mr. D. M'Mahon.

Resolved—That we petition both Houses of Parliament for the total abolition of Tithes and Church Rates—that the Petition now read be adopted, and that same be entrusted for presentation to Earl Shrewsbury, in the House of Lords, and Joseph Hume, Esq. in the House of Commons—that Lord King and Daniel O'Connell, Esq. be requested to support the Prayer of said Petition in their respective Houses.

Moved by Mr. Francis Bolden, and seconded by Mr Jeremiah Madigan:

Resolved—That the Resolutions of this Meeting be published in THE LIMERICK CHRONICLE, *Herald*, and *Dublin Weekly Freeman's Journal*, and *Pilot*.

J. BRAHAN, Chairman.
DANIEL LYSAGHT, Secretary.

Moved by Mr. Kelly and seconded by Mr. M'Mahon

That the Rev. Mr. Brahan leave the Chair, and that Mr. Boyd be called thereto.

It was then moved by Mr. P. Meehan, and seconded by the entire Meeting:

That not only the thanks of the Meeting but of the Parish were due to the Rev. Mr. Brahan, for his kindness in descending to take the Chair, and for his very talented and proper conduct therein.
