MOORE'S ESTABLISHED BLACKING MANUFACTORY,

NO. 26, PATRICK-STREET, LIMERICK, Next Door to Mr. Devitt's.

MATTHEW MOORE

RETURNS his most grateful thanks to his Fellow-Citizens and the Public at large, for the distinguished encouragement his BLACKING has received, and trusts the Superior Quality of the Article will merit a continuance of that decided support He has hitherto experienced.

The preference given by Military Gentlemen and the Army in general, speaks much for the quality and cheapness of MOORE'S BLACKING, now so justly CELEBRATED for its high Brilliant Polish and nutritious qualities, rendering the coarsest Leather soft, pliant, and durable, beyond any other composition that has ever been offered to the Public.

He has now so extended his Trade as to enable him to receive ORDERS from every part of the Kingdom for the supply of Shopkeepers and Country Dealers, who will meet with the most liberal Encouragement. A single trial is requested to be made to prove the superiority of the Article, the Money to be returned should it not be approved of.

The Public are requested to carefully examine the Labels, as a spurious Article has been frequently offered as Moore's.

Single Pots will be delivered at the rate of the Dozen. EMPTY POTS TAKEN IN EXCHANGE.

N.B.—M. M. is as usual well supplied with every Article, of the best quality, in the CHANDLING DEPARTMENT, which he begs particularly to recommend to Housekeepers.
