**A**N Advertisement appears in the *Limerick Post and Sentinel* of this evening, signed by RICHARD HOBART FITZGIBBON, in reference to the affair of Honor in which that gentleman and Mr. Godfrey Massy have been parties. The matter of the advertisement will be noticed, and its charges completely repelled in the next publication of the *Limerick Herald*—that of Monday next, the 17th inst.—and it will then appear that the grossly offensive words to which Mr. FITZGIBBON has subscribed his name, are, as well the most ILL-ADVISED, and UNJUSTIFIABLE, as they are assuredly the most PRECIPITATE, ODISIOUS and FALSE to which Mr. FITZGIBBON ever appended his patronymic.

**MR. MURPHY,**  
**SURGEON DENTIST,**  
 Successor to the late Mr. KEALE,  
 AND PUPIL OF MR. SHERWIN,  
 Of Bruton-street, Berkeley-square, London.

**B**ECS leave to announce to the inhabitants of Limerick and its vicinity, his arrival in that city; where it is his intention to remain professionally.  
 Mr. MURPHY having been for a number of years under the roof of one of the most efficient Dentists in London, is thoroughly conversant in the various modes of operating on the TEETH, as practiced by the most eminent men of the profession in that metropolis. Natural and Artificial Teeth, from one to a complete set, supplied on the newest and most approved principles. Should Mineral Teeth be preferred Mr. MURPHY inserts them in a much lighter and more comfortable method than that usually adopted out of London.  
 Mr. MURPHY begs leave respectfully to remind Parents of the very important duty which devolves upon them in the care of children's Teeth, as those irregularities which so frequently occur in children while shedding their Teeth—though easily remedied at the time—yet if neglected, become fixed and habitual deformities which often disfigure and distort the countenance for life.
