at large and of the Inhabitants of this City, we feel ourselves called upon to disclaim their imputations as UNMERITED and UNFOUNDED. Whilst we stand acquitted, as we trust we do, in the estimation of all classes of our fellow-citizens, of motives so venal and selfish as those they have imputed to us, we feel it, however, due alike to our own characters and the cause we have embarked, thus publicly to denounce such aspersions as unbecoming the conductors of a respectable Journal.

Proposed by Martin Honan, Esq. and seconded by Joseph Jones, Esq.

Resolved—That we feel much indebted to the *Limerick Herald* for the able editorial statement published on the 10th inst. of the grounds on which we sought to exercise our rights as Freemen, at the Court of D'Oyer Hundred, when calling for a division on an act of the Court of Common Council, referring the rights of Claimants for freedom to a tribunal not sanctioned by law, but created for delay; by which statement it is clearly shewn that we could not, without disregarding the law and violating our oaths, confirm such proceedings of the Court of Common Council; and, consequently, no subsequent acts of the Council could have legitimately received the sanction of the Court of D'Oyer Hundred.

Proposed by William Evans, Esq. and seconded by Cromwell Price, Esq.

Resolved—That the first and fundamental rule of our Club, viz.: "That the sole object of the Freemen in uniting and forming themselves into this Club is to restore and uphold their Chartered Rights, for the good government of the Corporation at large, the due appropriation of the Revenues thereof, and to facilitate the Rights of Claimants for Freedom," develops fully our views and objects; and from the great success which has attended our labours since the formation of the Club, notwithstanding the difficulties thrown in our way by the acts of the Common Council, we are determined to persevere in the good cause we have espoused, and call on all Freemen to unite with us.

Proposed by Thomas Myles, Esq. and seconded by William Erson, Esq.

Resolved—That these our Resolutions be published in the *Limerick Papers*.
