22o Mothers and Children

MRS. JOHNSON'S AMERICAN SYRUP, FOR CHILDREN'S TEETH. This infallible Remedy is particularly adapted for Children, when thought past relief arising from painful dentition. A little rubbed on the Gums the Child will be cooled, and the inflammation reduced. It is so efficacious, tending to produce the most pleasant, that no Child will refuse to take it. When Infants are at the teething period, the Syrup should be rubbed on the Gums, and never be without the Syrup in the house. It is particularly adapted for young Children; for if a Child is teething, and pains in the Gums, the Syrup immediately prevents Convulsions, Fevers, &c. of this Medicine during the last teething period, it has induced unprincipled persons to imitate the American Soothing Syrup, and to sell it under the name of Johnson's Bills, &c. Parents are particularly to ask for JOHNSON'S AMERICAN SYRUP, and to notice that the name of JOHNSON and Sons, 95, Farringdon-Street, London, is on the label of the Bottle. Johnson has sold the recipe) is on the label of the Bottle.
