 OFF FRANCIS-STREE  
 MRS. CUSACK, in returning her s  
 encouragement she has to the pr  
 leave respectfully, to inform her fri  
 that her Seminary will be re-opened fo  
 Christmas recess, on the 2nd January,  
 In stating that the young Ladies  
 will meet with superior advantages  
 Mrs. C. can with confidence refer, m  
 experience, but also to the long succe  
 her exertions in the various departments  
 The course of Education comprises  
 English Grammar, History, Geograph  
 Work, (Plain and Ornamental).  
 It has been a matter of much regre  
 that part of Female Education necessa  
 Teachers, has been in numberless  
 through carelessness or ignorance of ca  
 Assistants. In this department, Mr  
 a further inducement is presented to s  
 with their patronage, by the additi  
 exertions, whose experience, abilities,  
 subjects of Female Education, within  
 generally acknowledged, which, tog  
 personally interested, present advanta  
 instructions, not to be surpassed in th  
 BOARDERS—£25 per annum;  
 DAY PUPILS—Half a Guinea,  
 Mr Cusack will devote such time as  
 School, to Tuitions in respectable fa  
 branches of the Mathematics, and can  
 references to the families in which he
