DEATHS.

At his house, in Thomas-street, on Wednesday night, aged 52 years, of fever, the Rev. Thomas G. Willis, LL.D. Rector of Killmurry, in this Diocese, and Master of the District School of Limerick, Killaloe, and Kilsenora. The Established Church in Ireland has sustained a loss in this eminent Divine that will be peculiarly felt at the present moment. In him was united a strength of character and integrity of purpose that commanded respect,—together with sound and extensive learning, pure and unaffected piety, sober views, and unbending consistency. His qualification as a preacher and reader will be long remembered in this City. His large family and numerous friends have however strong consolation in the humble but firm trust, that he is not lost but gone before, to that blessed rest which remaineth for the people of God, through Him who taketh away the sins of the world. The remains of the Rev. Doctor Willis were interred this morning in St. Mary's burial-ground, attended by a numerous cortege of his Rev. Brethren, and a crowd of sympathizing citizens.
