This Institution is so constituted as to afford the
 benefits of Life Assurance in their fullest extent to
 Policy holders, and to present greater facilities and
 accommodation than can be obtained in any similar
 establishment. Among others, the following improve-
 ments on the system usually adopted, are recommended
 to the attention of the Public.

An ample subscribed capital, invested in such a man-
 ner as always to be immediately available, when the
 claims by deaths arise.

A most economical set of Tables—computed expressly
 for the use of this Institution, from authentic and com-
 plete data—and (with two exceptions only) presenting
 lower rates of premium than any hitherto offered.

A Table of increasing rates of Premium on a new
 and remarkable plan, peculiarly advantageous in cases
 where Assurances are effected by way of securing loans
 or debts, a less immediate payment being required on a
 policy for the whole term of life than in any other
 office; and the holder having the option of paying a
 periodically increasing rate, or of having the sum
 assured diminished, according to an equitable scale of
 reduction.

References to medical attendants not required when
 the state of health is unexceptionable; but whenever
 references are required, the medical attendant of the
 party consulted on behalf and at the expense of the
 Company.

Policies effected by persons on their own lives not
 rendered void in case of death by duelling or the hands
 of justice. In the event of suicide, if the policy be
 assigned to a bona fide creditor, the sum assured paid
 without deduction—if not so assigned, the full amount
 of premiums returned to the family of the assured.

Policies revived without the exaction of a fine within
 twelve months, on the production of satisfactory evi-
 dence as to health, and payment of interest on the pre-
 miums due.

Age of the Assured in every case admitted in the
 Policy.

All claims payable within one month after proof of
 death.

Extract from Increasing Rates of Premium for an
 Assurance of £100 for Whole Term of Life.
