THE large proportion of profits to distribute, at periods of Assured for the whole term of advantages nearly equal to those of Society, without any of the liabilities of such associations.

A general statement of the affairs will be submitted every five years ascertained to have accrued, after and the necessary expences, for the amount of premiums paid by each of one or more years standing, (at the option of the Assured) either Bonus payable when the Policy expires its value applied to the reduction of premiums, in such manner as the directors just and equitable to the assured.

The Company's Policies will be valued, whenever the object of the valuation effected be accomplished.

The Tables of premiums adopted have been in use during those last years are calculated upon such equitable principles as entirely to secure the satisfaction of the Public.

Persons assured to this Company may reside any where within the limits of the British Empire, or by Sea from one part of the United Kingdom and to and from the Channell Islands, in peace, to pass and repass, in decked boats to or from any Foreign Port, including Hamburgh, both inclusive—with or without obtaining permission for that purpose.

Should a person assured by this Company die within one month after a renewable Policy, the Company will be liable for the amount of the Premium provided the Premium be paid as stipulated.

No extra premium will be required for Naval or Military Men, unless they be actually into actual service.

The Lives of persons having Policies of Seas for Mercantile or other purposes on terms comensurate with the value of the Policies.

In the event of dispute, the matter shall be referred to arbitration (where no fraud is suspected) and the award thereof to arbitration.

No entrance-money or fees are required by the Company, nor any other Policy beyond the cost of the stamp duty admitted, upon the same being duly paid.

Tables of Rates, and all other particulars to insurance business, will be given on application.
