INVALUABLE ACQUISITION TO
INVALIDS.

IN all cases of Irregular or Insufficient Action of the L. BOWELS, MAW'S NEW MEDICAL MACHINE has decided advantages over every other Invention for a similar purpose, it requiring no preparation beyond the mere act of opening the case, by which all that preliminary screwing and fixing the parts, and the hitherto indispensable assistance of Basins, Chairs, &c. is rendered unnecessary.
The very serious objection to the ordinary Enema Syringe, Leakage, Separation of its parts, admission of air into the Bowls, &c. is completely and effectually obviated in the NEW MEDICAL MACHINE.
This Instrument is accompanied by the unqualified testimonials of the most eminent Medical Practitioners in the Kingdom. Copies of these Testimonials, with an Engraving and description of the Machine, may be had (gratis) of Mr. STEVENSON, Sole Agent in Limerick; or they will be sent as a single letter whenever desired.
J. and S. MAW are also the Manufacturers of every description of Injection Apparatus, Surgical Instruments, &c. embracing Amputating, Midwifery, Post Mortem, Eye, Lithotomy, Lithotripsy, Trephining, Pocket Tooth, Dissecting, Cupping, &c. also Stomach Pumps, Stethoscopes, Trocars, Bougies, Catheters, Breast Pumps; Inhalers of Metal and Glass, Trusses, Bandages, &c. &c. which will be kept constantly on Sale at the LIMERICK MEDICAL HALL, and Sold on terms equally low with those of any respectable Manufacturing Houses in the Kingdom.
Messrs. MAW have now confided the Sale of their Articles in Limerick to Mr. STEVENSON; those, therefore, favouring him with their Orders, will be supplied at the Prices charged by them in London.
Dr. STEVENSON is largely supplied with the Newly Invented ELASTIC BANDAGE, which is particularly recommended to the attention of Medical Practitioners and others, as decidedly the best Bandage yet tried for Varicose Veins, and other cases requiring a regular and equable pressure; in these respects, it will be found to possess decided advantages over the Laced Stocking generally used.
N.B.—Observe that our Sole Depot at Limerick is

Preserved Fresh Provision
AND TO THE HON. EAST INDIA CO
IN directing the particular attention of the Public to Perfectly Fresh, it is almost superfluous to dwell on its extraordinary merits of the Invention; the principal important introduction of the process, having already disinterested observers.
Experience has Established beyond a doubt—that the convenient than Live Stock, especially when the casualties of a long or an accidentally protracted Voyage (being ready dressed) may be eaten cold (The attainment of these points alone, is unquestionable SERVICE.)
While, however, the Preserved Provisions are in common use, it is submitted that the Public in general, instantaneously at command, every luxury and delicacy NAVAL & MILITARY OFFICERS are too well acquainted with the means of affording them, to require purchases of these Provisions, previously to their departure. NO FAMILY, if supplied with these preparations, the Dinner Table arrangements can be extended to INVALIDS whose appetite is so uncertain, that the ordinary mode, should never be unprovided with other side, as are peculiarly adapted to their use.
STUDENTS in Chambers, BACHELORS, SPOLI advantages of enjoying the productions of a First-rate portability of the Preserves renders them invaluable. HOTEL and TAVERN KEEPERS will find some them up; particularly the REAL TURTLE, of which suited to any demand. They will be thus enabled itinerant epicure with this acme of culinary luxury.
The Patentee has, for many years, made the Art of the various treatises which have been written or spared neither trouble or cost in the selection production of Articles which have met with the high Official Reports and Testimonials of the PRES Majesty; from the Commissioners for Executing Commissioners for Victualling Her Majesty's Navy and Council of St. Helena; Sir Joseph Banks; Viscount Torrington; Vice Admiral Cochrane; Sir Edward Codrington; Sir Edward Parry; Sir John
