## BENJAMIN DAWSON'S LOZENGES.

THESE celebrated Lozenges, for the cure of Coughs, Hoarseness, Sore Throats, and for removing the tickling sensation which often accompanies Colds, and to mitigate the vehemence of Coughing, still maintain the highest reputation. They are an elegant and safe composition, and peculiarly pleasant to the taste, and may be freely taken by persons of all ages and at all times. Messrs. DAWSON and WATLOCK request the Public to observe, that unless the name "BENJAMIN DAWSON, BATH," is engraved on the stamp which accompanies each Box, the Lozenges are not genuine; it is the more necessary to observe this caution, as many persons substitute an article called "Bath Lozenges," which is far inferior in quality to the genuine. Ask for Benjamin Dawson's Lozenges. Price 1s. 1½d.
