NORTH BRITISH
Life and Fire Insurance
Company.
FOR ASSURANCE ON LIVES AND SURVIVOR-
SHIPS, THE PURCHASE OF REVERSIONS
AND ANNUITIES, AND INSURANCE OF
PROPERTY OF ALL DESCRIPTIONS AGAINST
LOSS BY FIRE.
INCORPORATED BY ROYAL CHARTER.
CAPITAL—ONE MILLION.
His Grace the Duke of Sutherland, President,
Hanover-street, Edinburgh; 4, New Bank Buildings
London; and 14, George's-street, Limerick.
THE NORTH BRITISH INSURANCE COMPANY, in
order to combine, as far as practicable, every
advantage which is to be found in the various systems
of Life Insurance hitherto offered to the Public, have
adopted two different plans for Assurances, for the whole
term of Life.
By one of these plans, the assured do not become
partners, but have the benefit of a reduced scale of
premiums, calculated at the lowest rate, at which such
risks can be safely undertaken.
For example, at the age of thirty, the sum of
£2,000 may be insured in most of the other Offices,
for a yearly payment of £53 8s. while in the North
British, it would cost only £46 10s.
By the other plan, Assurers for the whole duration
of life, are entitled to participate to the extent of two-
thirds in the profits, by having additions made sep-
arately to the sums specified in their Policies; and
the Premiums are about five per cent. lower than
are generally required by the offices acting on the
system of participation.
In order that the Policies of this Office may afford
perfect security to persons becoming holders thereof,
either by purchase or in security of advances made
to the party insured, it is conditioned, that in the
event of the interest under any Policy, being legally
vested in a third party, for onerous considerations
so long as the interest continues so vested, the qualifi-
cations or restrictions of the risk, in the event of the
party insured dying by suicide, duelling, or a sentence
of the law, shall not take effect.
Tables of rates, both of the Life and Fire Depart-
ment, may be obtained at the Office of the Company,
14, GEORGE-STREET.
ARCHIBALD DOUGLAS, AGENT, Limerick.
MARINE INSURANCES effected on the best terms,
either with the Public Companies of London, or with
