IBERIA .....	5
ROYAL TAR .....	6
MONTROSE .....	6

\*\* Insurances have been effected on all the above Vessels.

This Company has been formed under circumstances peculiarly favourable for ensuring the most advantageous prospects for the future are being advanced, viz. :—

1. It is already possessed of a large amount of Shipping, &c. to a large amount, and the prospect of profitable employment, and the proposed operations cannot fail to render the Company established greatly more productive.
2. The management is under the supervision of parties who have a competent knowledge of all the details connected with Steam Navigation, from long practical experience, and who have been engaged in this branch of business for many years.
3. An important branch of the Company's business arises from an already established passenger intercourse with the Peninsula.
4. It has the advantage of having secured Contracts with Government.
5. The liability of Shareholders is limited to the amount of their Shares, by reason of the incorporation.

The Prospectus and form of Application may be obtained at the Company's Office, Mary Axe, and at 41, Regent-street, London; also at the City of Dublin Steam Packet Office, Liverpool and Dublin; also, at the Office of the Solicitors of the Company, or to JAMES HARVEY, Limerick, who will forward Applications (By Order,) JAMES AL

March 17.
