" SIR—For nearly twenty years past I was afflicted with pains in the head, sickness, and symptoms of a disordered stomach, for which I tried various medicines and obtained very little benefit, until I was induced to make a trial of your valuable Camomile Pills, from which, after two or three boxes, I found speedy and permanent relief.
" So severe and frequent were my attacks that several days in a week I have been unable to attend to any business, but by the occasional use of your Pills, my health is greatly improved, my appetite increased, and the attacks are considerably less frequent.
" I think it a duty to my fellow-creatures to publish this communication, which you are at liberty to do as you think proper, and I will gladly answer any questions to the similarly afflicted.
