Cork, January 31, 1844. New Butter Bepots.

CROKERS, LLOYD & CO., BEG to inform the Noblemen, Gentler Dairy Farmers of the South of Ireland, Gentler

have made arrangements with Leading if preferred to the Dutch in the London Marke The System they propose, offers advantage the Producers of Butter cannot fail to appreci it they become in fact Exporters-for,

their Butter at the Depot of the Advertisors, Street, Morrisson's Quay, subject to the sing of ONE SHILLING per Firkin, the Ad dertake the costs of Heading, Branding, Taster's Fees, Bills of Lading, Invoices will be distinguished by a peculiar Letter or Butter will be disposed of immediately on the selected Market, and by return post, the Sales will be forwarded for the satisfaction of shipping, to whom the affectives will submi-ing them at the same time the amount of

This system, to those who have a ready to realised from 10s. to 0s. per cwi those t could have obtained from sales arough

Weigh-house. The Advertisers for particularly desirons salted Butter should be preference be as rannamission through them to Barglisi where its value is an propertion to its frest life, provided the diversity of the same time, they will receive the high-slift, provided the diversity of the same time, they will give the best with a property of the same time, the same time to the best with the same time to the same time, as an object incorpanished; on the use of the advertisers if the improvement of Weigh-house. cured, as an object inseparable of a m the u of the advertisers of the improvement of and the permanent establishment of the gre character of the Dairy produce of the land. To give fewery facility the disconsisting shipment, from more remote districts to

at FICTON-STREET, and to ensure regul deliveries of light-salted Butter in the Lond to he sold at the highest prices, with the to be sold at the highest prices, with it aving of time and expence to file Farmi vertisers have, in commensument of a Agency compositor through the south established a TOBE at MILICAL TIME and deliver a number of the price and exitery even a single FR BUTTER that delivered will be forw

to Cork, subject to the mere usual charge -say four pence per Fickin.

Anxious to place every possible advanta reach of the Dairy Farmer, whose inter-undertaking is identical with that of the they will have prepared for those who : Butter at their Cork or Mallow Depo

Firkins at the lowest price, and branded s weight, with their own Brand.

The Advertisers, without by any mean to purchase Butter, will, however, afford

accommodation, on the receipt of any lo the same rate of Interest as the Cork Ba advances.
