TO THE EDITOR OF The Limerick Chronicle.
Limerick Mechanics' Institute, April 1.
MR. EDITOR,
PLEASE to circulate the following through the columns of your Paper:—It having been partially rumoured through the city by some, whose base and avaricious purposes it may suit, that certain depredate of a combinatory nature, recently perpetrated, have emanated from the Congregated Trades, for the refutation of which, a general meeting has this evening been convened, the result of which was the following resolution:—

Proposed by John Nunan, Sawyer, and seconded by John Doherty, Mason.

Resolved—That viewing with indignation and disgust the conduct of some person, or persons, lately, in endeavouring to stigmatize the hitherto enduring and unsullied character of the Congregated Trades of Limerick, by the commission of certain deeds calculated, if suffered to pass unnoticed, to prove the existence of Combination in the City. Hence, we feel bound in duty to ourselves and a sympathizing public, to remove from the Trades so unreserved an accusation, and that the undenamed Masters and Wardens of the various Guilds, do publicly declare, that they deprecate as much as any men alive, the commission of such deeds, and they pledge themselves to contribute as much as in their power shall lie, to detect, not only the perpetrator, but by all the means they can legally devise, to discover the concoctors of so malicious an attribution.

Hereunto we affix our names with the concurrence of our entire Guild:—

Michael Counaghty, J. Creagh, House Carpenters.
John Doherty, James Healy, Masons.
John M'Cauley, Peter Gilligan, Boot and Shoe Makers.
Patt Nunan, Vowel Roche, Painters.

THE BRITISH AMERICAN LAND COMPANY.
INCORPORATED BY ROYAL CHARTER AND ACT OF PARLIAMENT.

THE Court of Directors hereby Give Notice to all parties desirous of Emigrating to the Eastern Townships of Canada, that in consequence of the very greatly increased demand for the Company's Lands, they will discontinue, from and after the 15th inst., the offer of a Free Passage to Purchasers of Fifty Acres, at 7s. 6d. per Acre—the price thenceforward on these terms being Ten Shillings Sterling per Acre.

Persons desirous of information relative to the Lands of the Company, are requested to apply at their Office, No. 4, Barge Yard, Bucklersbury, London, and to MESSRS. JAMES HARVEY & CO., AGENT AT LIMERICK, where Prospectuses may be had, and deposits can be made.

As evidence of the superiority of the Eastern Townships as a place of settlement, the Directors have pleasure in stating, that of 35,521 Acres sold in 1843, only 263 Acres have been returned to the Company, of which but 50 had been purchased in Great Britain under the present system.

By Order of the Court,
A. T. GALT,
Chief Clerk.
