**P**OLICIES as low as £25 and as high as £5000 are granted by this Society. The premiums may be paid by Annual, Half-Yearly, or Quarterly payments.  
The Premiums are calculated upon the lowest scale commensurate with due security; for instance, any person at the age of 25 may, by paying annually £2 2s. 7d. secure at his death £100, with the ascertained proportion of the profit, if he is not desirous to participate the annual sum will be only £2 0s. 1d.

Nine-tenths of the profits of this Society will be divided every Fifth year amongst the Assured, either by adding the same to the amount secured by their Policies, or by reducing proportionately the annual premiums necessary for keeping up the same.  
SURVIVORSHIP ANNUITIES granted in consideration of either a single or of annual payments. SPLENDID VARIETY OF  
**Trouser Stuffs and Material**  
FOR SUMMER COATS.

TO THE EDITOR OF THE LIMERICK CHRONICLE.  
SIR,—The continued and daily increasing support we are meeting with from the Public, and the consequent increase in our business, as Drapers, together with the healthy appearance which Trade in general appears to be assuming, have induced us upon this, the occasion of our  
FIRST SUMMER PURCHASES.  
To enlarge and extend them to such an extent as to far exceed any former importations of ours, and we believe to excel in Variety and Elegance anything ever heard of before in this city; and we are sure the people will duly appreciate our exertions for having procured for them in this instance, certainly as Fashionable a Stock of Woollen Drapery as was ever offered for public inspection in any retail warehouse in this country. It would be useless to attempt giving any outline of the goods comprising this stock, but we cannot refrain from calling the attention of Clergymen and Professional Gentlemen to our Black Cloths, and Cassimeres. We are at present selling for 11s 3d. a yard, a Black Cloth not only fine enough for any man, but engaged to wear as well as these charged 16s. and 18s a yard for in other houses, and warranted never to lose its colour, and we are ready to support this statement by sending, to be tested, a pattern of this cloth, postage-free, to any part of the country, or to any person requiring it.  
In Trouser Stuffs and light material for Summer Coats, we certainly cannot have less than one thousand pieces of these goods, from 2d a yard up, in every shade, in every colour, and in every style now worn.—Such as Tweeds, Cassimeres, Cashmaretts, Doeskins, Gambroons, Cassinets, Lastings, Ducks, Drills, Cantoons, Printed Moleskins, &c. &c.  
IN CLOTHS.  
Our Stock now contains Cloths of all shades, and at all prices.  
IN VESTINGS.  
We hold quantities of Printed and Plain Marseilles and Quiltings, Rich Figured Satins, and Cut Velvet, Shalys, and Shawl Pattern, with several new patterns only out a few days.  
IN HATS.  
We were never so well supplied, having got in within the last week several cases of every description, including Black and Drab Beavers, Silk, Gossimer, and French Plush Hats, with Boys Hats and Caps in great variety.  
TOGETHER WITH  
Brown, Drab, Olive, Blue, and Black Beavers, and Pilots, Blankets, Flannels, Baizes, Bockings, Druggets, Corduroys, Friezes, Kerseys, Rugs, Quilts, Counterpanes, Grey and White Calicoes, Plaids for children dresses, &c. &c. together with a very large assortment of Trimmings of the most fashionable description, all of which will be sold upon the principle that all large Establishments are now conducted on, that is on such a scale of profit as must insure a quick sale.
