 At the Annual General Court of Proprietors, held on
 20th June, 1839, Bonuses were declared to the assu-
 red in the Fire Department of £10 per Cent. on the pre-
 miums received during the five years previous to the 2

 1839, of very nearly 26 per Cent. on the amount of
 premiums received thereon, improved at compound
 interest, to be added to the sum assured by such poli-
 cies when they become claims, or an equivalent reduction
 be made in the annual premiums upon them, at
 option of the parties entitled thereto.

The attention of those who have insured at
 this Office, and of the public generally, is requested to
 the above satisfactory announcement. The benefits
 derived by insurers, in addition to low rates, and
 the fact that every claim which has occurred since
 the establishment of the Office in Limerick, has been
 punctually discharged without demur or dispute,
 point out the manifest advantage of insuring with
 this wealthy Company.

 due the 24th inst., must renew them within fifty
