**NO. 1—LORD GUILLAMORE'S REPLY.**  
Cahir Guillamore, Aug. 15, 1844.  
MY DEAR SIR—You ask me whether the advocates of the Protestant Orphan Society have been in the habit of heaping abuse and vituperations on the Roman Catholic religion, at the many meetings at which I have presided.  
I have no hesitation in saying that I have never heard any such language used, nor would I preside over any meeting where such language was used. I may also add, that I have seldom been at any Protestant Orphan Meeting, at which there were not Roman Catholic contributors, and that I never heard any complaints of any expressions used at those meetings by any of them.  
Such being my feelings and opinion, I shall always be most happy to preside at any Protestant Orphan meetings you may hold in this vicinity, whilst I am within your reach, believing as I do, that it is as pure a charity as any in existence, and one which I would strongly recommend to the support of every body, no matter what their religion may be.  
Wishing you, and the Protestant Orphans, every success,  
Believe me,  
Always most truly, your's,  
GUILLAMORE.  
Rev. Godfrey Massy.

Your's, dear Mr. Massy,  
Very sincerely,  
JOHN CROKER.  
Rev. Godfrey Massy.
