...HYDROPHOBIA.—On Sunday night, a man named  
...Patrick Naughten, from Bushy Island, was admitted  
...into the County Infirmary, labouring under the awful  
...malady. It appears he was bitten by a mad dog in  
...April last, on the forehead and left leg. Naughten  
...came to Limerick next day for admission to the infir-  
...mary, but he unhappily was advised to apply to some  
...one who possessed a supposed "charm" to prevent any  
...evil from the bite. He got the "charm," went home,  
...and continued in his usual health until Sunday morning  
...last, when the first symptom of the disease shewed itself  
...He died on Monday night, in exactly 36 hours from  
...the appearance of the disease, and nine months since  
...he received the fatal injury. Had he not been prevented  
...applying at the Infirmary in the first instance, a fair  
...chance would have been afforded him of escaping the  
...fatal effects of the original wound.
