today.
John Ilford Lewis, of Fleet-street,
was charged at the Court of Excise, for
auction, without license, contrary to Sir
Pell's recent Act, being the first case adju-
since its enactment. The defendant during
was asked for his license by an Excise
which not being forthcoming, he deposited
the officer's hands until the license was pro-
at the time, he had not taken out license,
subsequently. The court decided, that the
had forfeited the £10 paid to the officer, and
fined in the reduced penalty of 20s.

country will have to regret that the poor employ-
for the relief of distress in Ireland, by the
of public works, was passed by Government
heedless rapidity through both Houses of
as to admit of no time for consideration of
by those to be most affected in its opera-
landed proprietors of Ireland; upon whose
Devon and Mr. Monsell, of Tervoe, suggested
improvements in the measure unfortunately late
action, and exposing the obvious injustice as
and ill-digested form. The compulsory provi-
oppressive, if not of a ruinous tendency to
taxed land proprietors and occupiers.

ment was prorogued yesterday. The Royal
was delivered by commission.
