Artificial Teeth

MR. WILCOCK, Surgeon-Dentist, from London (late Surgeon-Dentist at the London Hospital), accredits his patients and friends of Limerick and its vicinity, that having taken an experienced Assistant from England, they will be enabled to meet every engagement with the greatest promptness and success. His style of fixing Artificial Teeth is the London principle, and cannot be surpassed, his mechanical work being managed by himself, and finished under his immediate superintendance, and without the use of wires, a system so commonly adopted by country practitioners. Teeth permanently plugged with pure gold, and resurfaced mineral paste, which will not rot, and resurfaced with the original use. Loose Teeth fastened-Children's Teeth surgically arranged - and Discoloured Teeth beautifully cleaned.

Charges economical. Persons attended as usual within 20 miles of Limerick, by receiving two days notice.
