Congregated Trades. A T a Meeting of Trades and Repeal Wardens, held on Sunday, October 24th, at the Trade's Hall, the

following resolution was unanimously adopted .-- Mr.

Michael Doherty :

Resolved—That we view with indignation the foul

and unfounded charge which has been preferred against our respected and patriotic Chief Magistrate, as the our respected and patrotte Chief stagnetizes, as the Petry Sessions Court on Friday last, stating that he was a party to getting dup a metring to prejudice the minds of the people of opposing the Young Trelanders, at the Theatre, on Worknead y the 70th. We, the Con-gregated Trades and Recail Wardens' Clob, solemnly and distinctly aspert that were it not for the ad-

monitions delivered at the great meeting held at the City Court House, on Monday, by his Worship

the Mayor, the Rev. Messrs. Brahan and O'Brien,

Messrs, M.Carthy, Raleigh, &c., also the grati-fication the people evinced by the triumph of their principles on the occasion, and the influence exercised by the Trades to prevent parties assembling at the Theatre—it is our solemn opinion from the excited

state of the people by the continued calumnies heaped on them, their leaders, and clergy, that the peace of the City was much endangered only for the timely precautions which were taken at that meeting, though convened for a different purpose, and that such charges are talse, invidious, and unfounded.
