gated. "Investigated," no investigation; impossibility of such an act." To which possibility in the matter, are worth a thousand such acts." It will appear disposed calmly to consider expression was used *generally* strong term "*impossible*" Mr. Quin, and with the very reasonableness of my institution young men respecting the I can with perfect truth, were *not* named by me, words imputed to me expressed. Some may consider this others may not. I yield judgment I respect, in this tradition to the report.

Trusting you will do me brief denial of a charge at Limerick and the Establishment

I have the honor

Your most
