## DEATH OF MRS. EDWARDS.

On Yesterday, at Catherine-place, aged 27, Isabella,  
the beloved wife of the Rev. A. W. Edwards, mor-  
ning preacher and minor canon in the Cathedral of  
Limerick, and daughter of the Lord Bishop of  
this diocese. Of her it may be truly said, that "she  
was of a meek and quiet spirit." Thro' the merits of  
her Redeemer she rests from much and severe suffering.

"There shall be no more death, neither sorrow nor  
crying, neither shall there be any more pain: for the  
former things are passed away"—Rev. XXI. 4.

Since the melancholy event the Cathedral bells have  
been tolling a sad and solemn chime, and her remains  
will be interred on Monday next at St. Munchin's  
church.

Mr. George Bennett, Q.C. is deputed by Government  
to enquire into the unfortunate 12th July affray, near  
Castlewellan.

We regret that dysentery is fearfully fatal in  
the county Limerick gaol since the assizes. An  
inquest was held by John Cox, Esq. coroner, at the  
gaol on the bodies of the following persons on Thurs-  
day last:—Patrick Joyce, under rule of transportation  
for 7 years for larceny; William Doherty, under like  
sentence for larceny; and Martin Houlihan, under  
rule of bail. The verdict of the jury in each case was,  
died of dysentery. Yesterday the same coroner held  
an inquest on the bodies of James Wixted, under rule  
of transportation for 15 years for cow-stealing, and  
Charles Travers, confined for one month for larceny.  
The verdict in each case was, died of dysentery.

At the Town-hall Police-office, this day, Alderman  
Watson, presiding, Bridget Ryan and Margaret  
Bourke, charged with robbery of £10, were remanded.  
Informations were ordered against Thomas Hehir, for
