

and that I did not know what the price had been informed in the board at £7 12s. per ton, but that that price was ascertained. I stated further that the price charged I objected, but to be included in the contract. I referred to the Commercial List, published by the Board between the 11th and 18th of May the price in the Limerick market was £9 5s. per ton.

that the expense of carriage and the price at Newcastle considered Limerick, the average distance being about 25 miles.

Obedient servant,
W. MONSELL.
Limerick & Clare Examiner,

DECEMBER, 1849.
