At Galway Harbour Commissioners board on Thursday last, the Very Rev. P. Daly in the chair, mentioned the circumstances of an interview which he had had with the Lord Lieutenant when recently in Dub- lin, regarding the construction of the proposed break- water to Mutton Island. His Excellency said that he had seen Col. Jones on the subject, and that he had pronounced the project impracticable on account of the enormous sum of money which it would require. Mr. Hemans, engineer of the Midland Railway Company, who made a plan and estimate of the proposed work, said £160,000 would defray the expenses. Rev. Mr. Daly stated that the Lord Lieutenant appeared to be en- tirely opposed to the Packet Station, on the grounds of the trouble and expense which would be incurred in the shipping and unshipping of goods between Li- verpool and Galway.
