...present the testimonial, which he did in appropriate  
...terms, expressing regret at separating from a gentle-  
...man, who, in the discharge of his official duties,  
...had always acted towards those under him with kind-  
...ness and courtesy, ever ready to afford them advice  
...and assistance. Mr. Rowland was much affected, and  
...after returning thanks for the compliment conferred,  
...impressed upon the officers the expediency of strict  
...attention to business, to be sober, diligent, and mind-  
...ful of their religious duties. The supervisor and offi-  
...cers subsequently accompanied Mr. Rowland to the  
...Railway station, and saw him depart for England by  
...the 11 o'clock train.

Bridget Cassidy, a servant, who lived with respect-  
...able families in this locality, died suddenly at her  
...lodgings, to the rere of the Dominican chapel, on  
...Thursday night.

There were a dozen loads of new Wheat to market  
...this day, and sold at from 11d to 13d per stone; also  
...a quantity of oats at from 7d to 7½d, and barley 7d to  
...8d per do.

The reports respecting the potato crop during the  
...last week are of a much more encouraging character  
...than for the last month.

At the City Police Court on this day, Richard  
...White, for stealing workhouse clothing, was commit-  
...ted for 21 days and to be whipped; James Danaher,  
...stealing lead from Mr. O'Neill, of Catherine-street, to  
...be imprisoned 1 month and whipped; Francis Fitz-  
...patrick, for being drunk, was fined 2s. 6d. or 48  
...hours' imprisonment.

Several houses in Mary-street and John-street were  
...stripped of lead during the last week. The perpetra-  
...tors of these midnight outrages are known to resort  
...the "Lime-kiln" at Boherbuoy, and ought to be put  
...to flight by the Police.

THE WALLS OF LIMERICK.—The site of these ancient  
...ramparts, which have been for ages in many places ob-  
...literated, will be again restored, Mr. Whitty, C.E.,  
...being engaged under the Courts, to survey that portion  
...of the old town wherein they are situate, and having,  
...from the nature of his employment, access to legal do-  
...cuments and wills executed more than 200 years ago,  
...whererin certain boundaries of tenements are minutely  
...described, so that they will reciprocally serve to deter-  
...mine the position of those walls and towers,

"Whose memory conjures feelings up
