This Stock has never been either as regards its extent, materials, the style, or every description of goods as its classes.

It is needless to point out ages to be derived by those who have the opportunity of supplying the Furniture, at a much less price than required elsewhere to pay for the same. The quality of the materials and the good faith of the dealers, will be a sufficient guarantee for this stock—nothing has been done to render it worthy of the name.

TO THE
 J. & J. TUTHILL offer for sale a quantity of Mahogany Plank, which has been lying in the yard for several years, at a like sacrifice. They are reminded of the advantage to be derived from the purchase of well seasoned material. The Trade will receive a benefit from the purchase of a lot or lots of Furniture, as a further reduction of price. Those who purchase a quantity will be enabled to sell the entire at any sacrifice. They are giving up the present Establishment.
