

...trees ready to break up the delicious full fruit. A family of small means could live here comfortably, as they may have a very fine house for 20l a year, and markets cheap. We had a great deal plain of with respect to the arrangements on board Africa, as in the first instance there were 100 passengers taken in more than there was sufficient accommodation for, and of course there was neither comfort or regularity with such a multitude in excess of tonnage or intern fittings, but the owners, less of the fearful consequences to all the passengers, turned everything to their own advantage, and were indifferently to accommodation or health, but have been brought to the 'right about' here, as passengers applied to the British consul for assistance, and he will not allow the ship to go to sea without having some of the evils remedied, so circumstances will now permit her."

...herine Hayes' debut at the theatre of San Francisco, California, evoked the most enthusiastic ebullience of delighted feeling ever witnessed upon any stage, and the excitement of the audience was indescribable, bouquets, gold dollar pieces, gold dust cartons, and even diamond rings were thrown at the actress, and the fascinating Irish nightingale.
