## CHAPLAINS TO THE ARMY AND NAVY.

Whitehall, 6th Dec., 1854.

SIR—I am directed by Viscount Palmerston to inform you that he has laid before the Queen the Petition of the Roman Catholic inhabitants of the Parish of Adare, in the County of Limerick, and to inform you that by her Majesty's command it has been referred to the War Department.

I am, Sir, your obedient servant,

HENRY FITZROY.

Rev. T. Standish O'Grady, P.P. Adare,

**SUDDEN DEATH**—On Sunday night between ten and eleven o'clock. Mr. John D. Trand, late of Ennis accountant, when passing through Henry-street, to his lodgings in that locality, dropped dead, by the rupture of a blood vessel of the heart. Mr. Hayes, Inspector of St. Michael's Parish watch, came up at the time, and Dr. Gore was at once called, but life was extinct. The Inspector had the body removed to Barrington's Hospital, and next morning brought the occurrence under the notice of the Magistrates at the City Police Court, who ordered an inquest to be held. Mr. Trand had been spending the evening at the house of a friend in that locality, and was abstemious and temperate in his habits.

**LIMERICK UNION.**—Only four Guardians attended the weekly meeting of the board this day, Mr. Martin Carroll in the chair. Beyond inquiry into the facts connected with the transmission of a female pauper named Martin, from St. Pancras workhouse, and the usual routine business, nothing else was done, except that a coffee breakfast and meat dinner were ordered for the paupers on Christmasday.
