On yesterday Denis Keffe, stone mason, while employed repairing a boiler at the flour mills of James Bannatyne, Esq. Lower Quays, met with so severe a hurt, by the sudden explosion of steam from one of the valves, that he died soon after in Barrington's hospital.

From the bed of the river near the Island point, two lighters have been raised by the diver employed by the Board of Works to clear the obstructions to net fishing above Thomond bridge.

An excursion train will leave Limerick for Waterford at 6 to-morrow morning, and return at 7 in the evening.

The late Dr. Finnucane, of Kingstown was killed by collision of cars in Nassau-street, which fatal event could not have occurred, if the driver of the car conveying Dr. Finnucane had occupied the box seat; but those mischievous fellows generally occupy the side of the car, and have not the view or command which a box-seat driver must enjoy. The same irregular and unsafe practice prevails among the car drivers of Limerick.

Michael Honan, a poor fisherman of Carrigaholt, was drowned on Thursday, by his canoe sinking under a load of sea-weed.
